Placeable Workbench Kickstart Services

Accelerate using your new Placeable Workbench solution

Installation and Configuration Services to Kickstart Your Local Marketing Initiatives

All new Placeable Workbench customers have the choice to implement Placeable Workbench or work directly with Ignite Placeable experts to quickly get started with delivering the value of Placeable Workbench for your organization.

Kickstart Services, which include configuration and installation of the Placeable Workbench product, are delivered by Ignite's global Professional Services organization.

Customers choose Placeable Workbench Kickstart Services to:

- Optimize the Platform: Ensure alignment to specific local marketing goals and full platform functionality available to users
- Accelerate Time-to-Value: Speed-up installation for fastest time to platform use
- Limit resource requirements: Lessen or entirely eliminate added configuration and installation work from already stretched staff who are not yet Placeable experts
