

Firm58 Kickstart Services

Accelerate using your new Firm58 platform

Installation and Configuration Services to Kickstart Your Trade Expense and Billing Initiatives

All new Firm58 customers have the choice to implement Firm58 or work directly with Ignite Firm58 experts to quickly get started with delivering the value of the Firm58 financial platform for your organization.

Kickstart Services, which include configuration and installation of the Firm58 platform, are delivered by Ignite's global Professional Services organization. Customers choose Firm58 Kickstart Services to:

- Optimize the Platform: Ensure alignment to specific goals and full platform functionality available to users
- Accelerate Time-to-Value: Speed-up installation for fastest time to platform use
- Limit resource requirements: Lessen or entirely eliminate added configuration and installation work from already stretched staff who are not yet Firm58 experts

DON'T DELAY

Start Providing Valuable Firm58 Capabilities To Your Organization Today

- Daily visibility into revenue streams and shortening of the billing cycle, resulting in improved transparency, more satisfied customers, and faster payments
- In-depth analytics to drive better decision-making, leading to increased profitability, including the ability to verify monthly execution invoices and other features, down to measuring the effectiveness of a specific region, desk or even trader, and the profitability of each client
- Ability to automate accounting processes for soft dollar programs, payment requests and payment reporting with transparency that enhances customer satisfaction and improves loyalties
- Daily online coordination and review of trading regulatory activity to ensure firms are meeting growing requirements, as well as the ability to track and manage trades to create an audit trail to reduce firm risk
