

EPM Live Kickstart Services

Accelerate using your new EPM Live portfolio project management platform

Installation and Configuration Services to Kickstart Your Portfolio Project Management Initiatives

All new EPM Live customers have the choice to implement EPM Live or work directly with Ignite EPM Live experts to quickly get started with delivering the value of the EPM Live portfolio project management platform for your organization.

Kickstart Services, which include configuration and installation of the EPM Live portfolio project management platform, are delivered by Ignite's global Professional Services organization.

Customers choose EPM Live Kickstart Services to:

- Optimize the Platform: Ensure configuration is aligned to specific security, compliance and analytics goals
- Accelerate Time-to-Value: Speed-up installation for fastest time to platform use
- Limit resource requirements: Lessen or entirely eliminate added configuration and installation work from already stretched staff who are not yet EPM Live experts
